FOR IMMEDIATE RELEASE

Intuicom Adds John Wardle as Technical Specialist

Boulder, CO (May 3, 2012) – Intuicom Inc., has added John Wardle to their staff as Technical Specialist. Prior to joining Intuicom he served at several Colorado companies, contributing to technical and engineering efforts. Mr. Wardle will assist in production and product testing. Intuicom relocated last year to a larger facility and continues to refine its staff as it focuses on providing the most reliable, trusted wireless solutions to its markets which include precision agriculture, intelligent traffic and transportation, survey and construction, environmental and structural monitoring, defense and security, and SCADA and infrastructure applications.

About Intuicom, Inc. - Intuicom provides wireless data solutions designed to satisfy the most demanding requirements for long-range remote or mobile device networking. Intuicom provides unsurpassed performance and flexibility. Founded in 1999, with headquarters in Boulder, Colorado, Intuicom solutions enhance applications including precision GPS, traffic control, transportation, and automation. Find out more at www.intuicom.com.
