

March 24, 2020

Dear Customers, Vendors and Partners,

As the spread of COVID-19 (novel coronavirus) continues to impact all aspects of our lives, I wanted to reach out to you and share the measures we at Intuicom, Inc., are taking to mitigate the affect on our business and customer deliveries as we remain open for business.

Because Intuicom delivers mission-critical communication solutions that support the Critical and Essential business sectors and services of our country, our production facilities and essential operations will remain open during this time of Executive Stay-at-Home orders. We are taking the necessary measures to ensure our employees and their families stay safe and healthy and are following the recommendations of the CDC and local authorities. All non-essential staff are operating on staggered shifts and working remotely wherever possible.

Our business has seen minimal impact to-date to supply chain or service levels and we are continually monitoring for any disruptions.

We want to thank you for your continued business and support, and I hope that you and your families are staying healthy and safe.

Sincerely,

A handwritten signature in blue ink, appearing to read "Thomas Foley". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Thomas Foley
President & CEO
